

## IF YOU WANT PEACE

Here is an opportunity to do something about it - Support  
MID-PENINSULA VIETNAM SUMMER

"I think the time has come for all people of good to engage in a massive program of organization, of mobilization. This is the purpose of Vietnam Summer and I'm happy to join as one of the sponsors of....a program that may well determine the destiny of our nation".

Dr. Martin Luther King, Jr., April 23, 1967

What Action is underway?

Vietnam summer is being organized as a concerted national effort to reach out to the millions of silent Americans who feel that war is not the way to solve mankind's problems, or even a good way to fight communism; to seek those who would cast a vote for peace and mankind if they had an opportunity; to deepen and strengthen the commitment of those who have already expressed their disapproval of the U. S. Government's actions in Vietnam and elsewhere.

What Specific Projects Are Being undertaken in the Mid-Peninsula?

Political education - door to door canvassing to locate those with doubts about the war; neighborhood meeting; talks and speeches to interested groups; printing educational materials; publicity in the news media.

A newspaper - to provide for the gathering and dissemination or local, national and international events, including but not limited to peace activities, which for various reasons does not appear in existing local and regional newspapers.

Draft education - to explain legal rights and alternatives to young men who have reached or are approaching draft age, and who are increasingly questioning the war.

Fund raising-money is being raised to support all those activities.

What can you do?

Send money, NOW - as much as you can. Many of those who will be working throughout the summer have given up other work

opportunities to devote their time to this urgent program. Some, with no other means of support, have agreed to work for bare subsistence. Printed materials cost money, as do office rent, telephone, etc. Of necessity, this letter is being sent to a limited number of people, so please dig deeply into your conscience and pocketbook. We need at least ten thousand dollars to support the summer's activities in the mid-peninsula area.

Please make check payable to MID-Peninsula Vietnam Summer

Volunteer - to work in the office, in the field, to ~~speaking, telephone, raise funds, etc.~~ The more workers the greater number of people we can reach.
