

# Cavanaugh's Cures for the Summertime Blues:

1. He has pledged "increased manpower", i.e. police, against the black population of Detroit, the "criminals in the street".

2. He supported police requests for funds to nearly double existing ghetto weaponry, such as:

- 100 Stoner 63 system Assault rifles
- 3 Armored personnel carriers
- 700 12 gauge shotguns
- 1000 M-1 carbines
- 1200 gas masks
- 5000 chemical Mace dispensers, Mark LV
- 25 gas guns
- 25 30.06 cal rifles with 4x scopes
- 25 Infra red sniper scopes

600,000 rounds of ammunition for weapons

- 2,000 gas projectiles
- 4,000 gas grenades

- 4 mobile support vans
- 2 prisoner buses
- 1 helicopter
- 1 fixed-wing aircraft

He helped to quash an "in depth" review of the police department, which the new Detroit committee was apparently prepared to carry out.

"WHEN THEIR DEFEAT BECAME APPARENT, THE AMERICANS'...DECIDED THAT REGARDLESS OF CIVILIAN CASUALTIES THEY MUST BOMB AND SHELL THE CITY OF 85,000" ".....

Will victory in Detroit be like "victory" at San Tro, February, 1968 ?
