

Stokeley says, "HELL NO--WONT GO!"

# WHAT DO YOU SAY?

it's YOUR choice!

Do you think the U.S. should be in Vietnam?

Do you want to go into the Army?

If you choose the draft, you must serve 2 years active duty plus 2 years active reserve. You have no choice where you will go or what you will do.

Even if you volunteer you have a limited choice of training-- you must go where they need you. And your active duty is 3 years.

Do you think the war is wrong?

You can decide not to go!

You may be a Conscientious Objector. If so, you can spend 2 years helping people instead of killing them. Check with one of the organizations listed below, and they will help you find out.

If you think the whole set-up is wrong and you want to protest, you may be a non-cooperator. You will have to go to jail for 2-5 years. The organizations listed below will help you get legal advice.

If you just want to get out--you may go to Canada. If you do it soon enough, you will be able to return to the U.S. Contact one of these groups to find out where you can go and who will help you.
