

THE FACT THAT THE DEFENDENT ACTED PURSUANT  
TO ORDER OF HIS GOVERNMENT OR OF A SUPERIOR  
SHALL NOT FREE HIM FROM RESPONSIBILITY

-Charter of the International Military Tribunal, Nuremberg

# WE WON'T GO

Considering conscription to be a means by which a society forces its young men to abdicate responsibility to humanity and believing that young men should make an open statement to the American nation of that responsibility, the Stanford Anti-Draft Union has collected signatures for such statements. The signators have signed ONLY the following statements:

- 1) I WILL NOT FIGHT IN VIETNAM.
- 2) I FURTHER WILL NOT BE CONSCRIPTED INTO THE MILITARY.
