MOTIONS:

Jeanne Freidman:

"Occupy AEL such that the research cannot go on without interfering with the classified records and to form a committee to survey what other buildings, besides AEL, are possible points of occupancy,
~~and to form picket lines~~
and to set up picket lines at SRI, in the industrila park, and at other war-related industries in the area.

Point made; that the picket lines should be contrued as INFOMRATIONAL picketing.

Jeffrey Hatch amendment:

To have an open forum of the University tomorrow (April 10th) in lieu of the sit-in at AEL, and to suspend classes to allow students to participate.

DEFEATED

Amendment:

That the sit-in begin tonight and that this body set a time limit to the sit-in at AEL.

(The portion of the amendent stating that the entire meeting would set the time limit was objectionable to the motion's sponsors, J Freidman, and was not accepted as part of the prior motion. She preferred the the time period of sit-in be decided by the people who are in the building).

MOTION (DEFEATED)
