

## PETITION TO THE STEERING COMMITTEE OF THE ACADEMIC SENATE

The undersigned members of the Academic Senate believing that important new information has come to their attention in the past three days concerning classified research on campus, request a special meeting of the Academic Senate on Tuesday evening following the afternoon meeting of the University Research Committee to consider the status of classified research at the University. Members of the University Research Committee should be invited for the discussion.

The petition was endorsed by more than seventeen of the fifty-three voting members of the Academic Senate and,
