

Resolution submitted to the 17th Annual Convention of the
California Democratic Council

Resolved, that:

- 1) The California Democratic Council supports the goals of the April Third Movement calling for an end to the following kinds of objectionable research at Stanford University and the Stanford Research Institute:
 1. Classified research.
 2. Chemical, biological, and radiological warfare research.
 3. Counterinsurgency research.
 4. Vietnam War research.
- 2) Telegrams containing the above text be sent to the President and each trustee of Stanford University.
