

JERRY RUBIN is coming to TRUSTEE DAY:

# YIPPIE! MEETS GODZILLA the DINOSAUR

] 10:30am at the Business School

Tuesday at 10:30am a cast of thousands will assemble at the Business School to pay homage to the owners and rulers of the Stanford Empire. Appropriate horror stories and daring exposes will be revealed. Meanwhile the Trustees will be conspiring behind closed doors in their castle. What will they decide to do with the Royal Legions (ROTC)? Will they speak to their vassals at 4:00 that afternoon... Be there to hear (and see) their answer.

EVEN BETTER: 4:00pm at Memorial Auditorium

Watch the Trustees DO IT!

Jerry Rubin of the Conspiracy will be there to hear Lockheed's head Yippee Charlie Ducommun tell how he bums millions in spare change from the Pentagon's Dave Packard to finance the C-5A and other mega-death toys. Laugh as Bill Hewlett explains how Stanford's "neutrality" enables it to practice counter-insurgency in Thailand. Many more thrills. Open microphone--please come and ask questions.
