CONGRESS, YOU MUST ACT FOR US.

A week ago tonight 36 families bought this same ad in the Palo Alto Times. They asked others to give a dollar or more to list their names here in order to reach Congress through The Washington Post. Within 2 days the mail brought 1,714 letters, with names and checks totalling \$8,535. The final total at presstime on Monday is the 2,413 paid listings of families or individuals from all walks of our community life. Their names follow on these three pages.
