

# NO MORE ROTC !

At 7:30 tonight in the Large Lounge in TMU the campus movement to eliminate ROTC will hold a meeting open to anyone who opposes ROTC. We need to discuss how we can effectively get ROTC off this campus. What happens here at Stanford influences movements at other campuses--Berkeley and Foothill in this area, and can determine the future of ROTC across the country.

What does ROTC mean in Vietnam? What does ROTC mean in Puerto Rico? What does ROTC mean to you, and what are you doing about it? Come at 7:30 tonight, and tell us all.
