

STANFORD REHABILITATION MOVEMENT

The Stanford Rehabilitation Movement has moved its base of operations to Room 52K, the office of Prof. Bruce Franklin. The headquarters will be manned throughout the week, and people are invited to come in and rap, work, pick up literature, and check out what's happening at any time.

The following is a calendar of prospective events. Read the Daily or call us at 321-2300 ext. 4161 for further information.
