

# MOVE ON MOFFETT FIELD

FRIDAY, MAY 26, 6:30 AM

MOFFETT FIELD is THE naval air base in the Bay Area. War planes from six aircraft carriers are presently bombing and mining Vietnam. The planes and pilots launched from these carriers come from bases like Moffett. THE G.I.s AT MOFFETT ARE FORCED TO DO THE RULING CLASS' DIRTY WORK, OFTEN AGAINST THEIR WILL.

In Mountain View, across the Bayshore Freeway from Moffett Field, is the Ellis Street industrial park, housing war giants like Lockheed and Fairchild. The people who work in these plants are forced, in order to survive, to produce for the Pentagon. MANY OF THESE WORKERS SUPPORT THE MOVEMENT AGAINST THE IMPERIALIST WAR IN SOUTHEAST ASIA.

Friday we will meet in the parking lot of the BIZ BROILER, at the corner of Ellis St. and Fairchild Way (frontage road) in the industrial park. WE BEGIN OUR DEMONSTRATION AT 6:30 A.M. SHARP. We will march under Bayshore to the Ellis St. Gate of Moffett Field. FOR MORE INFORMATION, CALL 998-0367 (San Jose) or 3284941 (Palo Alto).

UNITE WITH ELLIS STREET WORKERS!

SUPPORT G.I. RESISTANCE!

BLOCKADE U.S. WAR SUPPLIES!

BRING THE WAR HOME!
