

On Thursday morning, May 11, there will be peaceful picketing of Moffet Air Field. We invite all residents from other dorms, students, workers, and any other concerned persons to unite with us in protesting Nixon's aggressive policies. We cannot allow the tragedy of Vietnam to continue; it is imperative to act now. There will be a car pool meeting in the Wilbur parking lot at 6:45 AM on Thursday. Please join us.

Outraged students in Larkin and Lassen Houses
